DECISIVE BEAT WAS SCORED ON TERMINAL SALE

By the Intelligencer Over Its Contemporaries—The Only Paper That Positively

NAMED PURCHASER OF ROAD.

It is Now Generally Conceded That the Pennsylvania Has Secured the Property.

The Intelligencer was the only paper that stated in positive terms that the Wheeling Bridge and Terminal system was purchased by the Pennsylvania lines, through the bidders, Kuhn, Loeb & Co., the New York bankers. The evening paper, in its issue of Tuesday, guessed that the purchase was made in the interest of the Baltimore & Ohio. The Register thought the Pennsylvania might have been the purchaser, but also stated that it was believed the Baltimore & Ohio or the Wheeling & Lake Erie might be the purchasers. In fact, the Register was guessing at a lively clip. Last evening the evening sheet guessed again, and would have it believed that the road is purchased by people interested in the much-talked-of big combination of trunk lines, in which it includes the Pennsylvania and Baltimore & Ohio.

As a matter of fact, the Terminal has been purchased for the Pennsylvania lines, and for no other line, just as the Intelligencer stated yesterday morning, and the other Wheeling papers will gradually accept this view of the sale. The Intelligencer's assertion will find confirmation in a few days, when the deed will be recorded in this county.

There are rumors galore as to what the Pennsylvania will do with the Terminal. One is to the effect that the Peewick branch will be relegated to the rear and that the Pan Handle will run its trains into Wheeling via the Cleveland & Pittsburgh river division and the Terminal. This, however, is not generally accepted, and is certainly premature, to say the least. In support of this contention it is cited that the Peewick stockholders in Wheeling annually receive enormous dividends, which would be saved by diverting most of the traffic in and out of Wheeling to the Cleveland & Pittsburgh and Terminal roads that the Pennsylvania now owns, while the Peewick is a leased road. However, as stated above, the rumor is not credited for several reasons.

BRIEF MENTIONINGS.

Events in and About the City Given in a Nutshell.

Patrick O'Connor, a laborer at Mingo Junction, aged fifty-five years, was struck and instantly killed by a west-bound passenger train last night.

To-night, at the Third Presbyterian church, there will be a recital by Mrs. Alford, the programme to be interspersed by music by Miss Letha Frazier and Miss Annie Kelly.

The debris on the Baltimore & Ohio track at the Moundville "narrows," the fruit of the freight wreck at this point on Tuesday night, as detailed in yesterday's Intelligencer, was cleared away yesterday morning about 6 o'clock and traffic was resumed.

Before Squire Dunning yesterday, Henry Belmont, who was arrested on the charge of jumping a board bill of \$15, due the Duard hotel, settled the bill and the attendant costs, after which he was released from custody. Belmont poses as a palmer and he courts the festive dollar thereby.

August C. Elliott, aged thirty-four, of Steubenville, a Pan Handle engineer, was instantly killed on the New Cumberland branch at an early hour yesterday morning. His engine ran into an open switch and, fearing a collision with freight cars, he jumped off, but struck a bank and fell back under the wheels of the tender, which passed over him. The fireman stuck at his post and was uninjured.

There will be a concert by the choir and congregational social at the First English Lutheran church this evening. A short programme of vocal and instrumental music will be rendered by the choir, of which Mrs. Herbert Riedel is the leader and Miss Anna Israel, organist. The rest of the evening will be devoted to social converse. Ice cream and cake will be served. No admittance will be charged, but a silver offering will be taken at the door. Everybody is invited.

FOUNTAIN PRESENTATION

Occurs This Evening, With Speeches by Congressman Devenor, Mayor Sweeney and Mr. Frank W. Nesbitt.

The unveiling of the rivermen's monument and drinking fountain in Riverside park, donated to the city by Mr. Henry Schmulbach, will occur this evening at 7:30 o'clock, and will be made the occasion for the formal presentation to the city of Wheeling.

Congressman Devenor will arrive from Washington to-day, coming especially to make the speech of presentation. At 7 o'clock Captain Devenor and the other speakers, Mayor Sweeney and Mr. Frank W. Nesbitt, together with

Henry Schmulbach.

Master of Ceremonies Charles J. Schuck, will enter carriages at the McLure, and, preceded by Mayor's band, will go over a short route to Riverside park, on the river front.

After music by the band Mr. Schuck will introduce Captain Devenor, who will formally present the monument to the city. The responses will be by Mayor Sweeney and Mr. Nesbitt.

The idea of erecting a rivermen's monument on the river front was first

Charles E. VanKeuren.

advanced by Mr. Charles E. VanKeuren, who began a canvass of the city for funds last fall. Among the first persons he approached was Mr. Schmulbach, who almost took the enterprising VanKeuren off his feet by volunteering to subscribe the entire \$1,000 wanted. Needless to state the generous offer was accepted. The monument was designed and constructed of Vermont marble by a Zanesville (Ohio) firm, and was erected in the park a few days ago.

SIGNS OF PARALYSIS

Can Be Discovered in Time.

"Numbness of the hands and arms, with premonitions of paralysis, kept by me while I was using coffee. I finally discovered it was caused by coffee; when I quit the coffee and began drinking Postum Food Coffee the numbness ceased entirely and I have been very well ever since. At that time I was unable to sleep, but now I sleep perfectly. Husband was also troubled from lack of sleep while he was drinking coffee, but now he uses Postum Food Coffee with me, and we both sleep perfectly. Our little boy had peculiar nervous spells and I stopped the use of coffee with him and have been giving him all the Postum Food Coffee he cared for. He is perfectly well now."

"My sister was troubled with nervous headaches while she used coffee. She found how greatly improved was when from discontinuing it and using Postum Food Coffee, so she made the change, and is now rid of her nervous headaches. We are naturally strong advocates of Postum." Mrs. J. Walford, Castalia, Erie Co., Ohio.

AGONY!

Pain to acute as to amount to positive agony is a part of rheumatism, neuralgia, lumbago, sciatica, gout and other diseases for which TONGALINE is the specific remedy.

Too often morphine is given to quiet this pain and to save the nervous system from wreck. But morphine would never cure the disease. External application of lotions and liniments are equally ineffective for permanent cure.

In TONGALINE we have an anodyne more helpful and far safer than morphine, combined with eliminating ingredients which cure the disease permanently.

Tongaline

TRADE MARK

restores health by reviving idle functions of secretion, dissolving the deposits of poisonous waste and causing them to leave the body through the combined action of the liver, kidneys, bowels and skin.

The book which we will send free to any sufferer, on request, tells of the treatment of disease with TONGALINE. TONGALINE is not a secret, patent medicine. The ingredients are plainly marked on every bottle. It has been prescribed by physicians for 20 years. Sold by all druggists. \$1.00 a bottle.

MELLIER DRUG COMPANY, ST. LOUIS, MO.

Society.

The Mozart Singing Society last evening gave its annual sommernachtsfest at Mozart Park, and coupled with the event was a farewell reception to Messrs. Henry W. Schrebe and Paul Rigo, leading members of the society, who leave on Sunday for the Paris Exposition and a visit to the Fatherland and European points of interest. These gentlemen will, of course, return so the parting words were "au revoir, but not good-bye."

In the concert feature the Mozart was assisted by the choir of St. Paul's German Lutheran church, numbering thirty voices, making a chorus of fifty in all. The singing was directed by Prof. Hermann M. Shockey, director of Mozart's singing section, and it was given artistically. Instrumental music for the occasion was rendered by a brass band, and Prof. Charles Kilmyer presided at the piano for dancing, which occurred in the park pavilion, and continued until an early hour this morning. It was the most successful affair of a similar nature given by the Mozart for several years, for on former occasions there was generally bad weather, while yesterday's was all that could be desired. No street parade was given, as formerly, this feature being dispensed with. The programme of songs and addresses was rendered in German, and it was heard by a large crowd.

The bowling prizes were won by the following: First, August Marschner, 201; second, John Roth, 192; third, H. W. Schrebe, 191.

Welcome lodge, A. O. U. W., last night, at Arion hall, celebrated its twelfth anniversary with an enjoyable entertainment. A splendid musical and literary programme was rendered, those taking part including Mrs. Flora Williams, Miss Harvey, Mr. Samuel Emerson and Mr. Jasper Baum, in vocal selections; Miss Nellie Snider, recitations; comedy duologue, Mrs. Linna Hennig Sherman and Miss Bertha Wilson; musical sketch, Hanson Brothers; music, Opera House orchestra. The address of welcome was delivered by Mr. R. L. Frazier, of the lodge, and during the evening ice cream and cake were served. Welcome lodge always entertains as befits its name and last night was no exception.

DIETRICH ROEMER DEAD.

One of Wheeling's Leading German-American Citizens Passes Away.

Dietrich Roemer, for nearly fifty years a resident of Wheeling and one of the best known German-American citizens, passed away from this life yesterday, shortly before the noon hour, at his home at 134 Fourteenth street. He was in his sixty-ninth year. The deceased came to Wheeling from Germany in 1851, with Mr. Conrad Schambra, and until three years ago, when he retired from active pursuit, he followed his calling, that of a tailor. He was for a quarter of a century in the employ of the firm of Thomas Hughes & Co., and for twenty years with W. H. Frank, and also a couple of years with Mr. D. Schambra.

Mr. Roemer enjoyed the distinction of being one of the charter members of the Wheeling Turnverein and kept up his membership until his death, and was a member of Logan tribe, of the Independent Order of Red Men. He was a consistent member of St. James German Reformed church, holding many important church offices. Surviving him are a wife, formerly a Miss Miller, whom he married in this city in 1853, and five children, three sons and two daughters, among the latter being Mrs. R. E. Schubert, of this city, and Mrs. Lina Koehler, of Canal Dover, O. The funeral arrangements will be completed to-day.

A BEAUTIFUL COMPLEXION FREE

Mme. A. Ruppert's World Renowned Face Bleach almost Without Cost. No matter how Blemished the Skin, Face Bleach will make it perfect.

Madame A. Ruppert says: "I know there are many ladies who would like to try the merits of my Face Bleach, but on account of the price, which is \$2.00 per bottle, or three bottles for \$5.00, have had some hesitancy in spending that amount to convince themselves of its great value. Therefore, during this month, I will depart from my usual custom and offer to all a trial bottle, sufficient to show that it is all that I claim for it, for 25 cents per bottle. Any reader of this can send me 25 cents in stamps or silver, and I will send them a trial bottle of my world-renowned Face Bleach, securely packed in plain wrapper, sealed, all charges prepaid. An opportunity to test so famous a remedy at so slight a cost is seldom offered, and I trust that the readers of this will take advantage of it at once, as the offer may not be repeated."

Madame A. Ruppert has now been before the public for over twenty years as the greatest Complexion Specialist. She is the pioneer in her art, and stands pre-eminent at the head; she has had thousands of imitators, but not a single competitor. Face Bleach is not a new untried remedy, but has been used by the best people for years, and for dissolving and removing tan, sunburn, moth, freckles, sallowness, blackheads, eczema, pimples, roughness or redness of the skin, and for brightening and beautifying the complexion, it has no rival.

It is Absolutely Harmless to the most Delicate Skin.

The marvelous improvement after a few applications is most apparent, for the skin becomes as nature intended it should be, SMOOTH, CLEAR AND WHITE, free from every imperfection. It cannot fail, for its action is such that it draws the impurities out of the skin, and does not cover them up, and is invisible during use. This is the only thorough and permanent way.

For the present I will, as stated above, send a trial bottle of my Face Bleach to anyone who will remit 25 cents in stamps or silver. Madame A. Ruppert's book, "How to be Beautiful," which contains many interesting facts, and which ladies will be mailed free upon application. Address all communications to MADAME A. RUPPERT 6 East 14th Street, New York.
